

Career Training Program Release Time for DC-37 Family Paraprofessionals

Each semester, the Division of Human Resources receives numerous inquiries from schools and paraprofessionals regarding regulations governing "Release Time" for DC-37 Family Paraprofessionals. This communication should clarify any questions or concerns you may encounter.

DC-37 Family Paraprofessionals who meet the requirements indicated below are eligible for release time for non-classroom study or travel from work to their college/university. Release time may be granted for each college semester (fall, spring, and the 1st summer session **ONLY**) to those eligible **full-time** paraprofessionals who are attending class or taking online coursework at an accredited college or university. **Release time during summer session one may be taken but must be completed by June 30th.** Release time is **not** to be granted during the months of July and August.

Paraprofessionals may not take classes during their regularly scheduled school day, which includes the extended day schedule. Therefore, release time CANNOT be used during this time. **Principals are not authorized to make exceptions to this condition.** Paraprofessionals are encouraged to take courses during the late afternoon, evenings, and/or weekends to avoid conflict with their work schedules.

I. Eligibility of DC-37 Family Paraprofessionals

DC-37 Family Paraprofessionals

During the fall, spring, and summer semesters, the NYCPS may grant 2 1/2 hours of release time per week with pay for study and/or travel to an accredited college. The paraprofessional must complete a total of at least five (5) semester hours/credits during that same semester of undergraduate study to be eligible for release time. Release time requests will only be considered towards the completion of the participating family paraprofessional's **first bachelor's degree** (Post-baccalaureate studies and additional Bachelor's degrees will not be considered for participation).

II. Verifications *(Required by the school)*

Verification of Enrollment

- At the beginning of each semester, any paraprofessional requesting release time must present a copy of the college bursar's receipt or other documentation of actual enrollment to the school principal or designee.

Verification of Course Completion

- **Within one month following completion of the semester**, it is the responsibility of each participating paraprofessional to submit to the principal or designee a copy of the transcript, grade report, or other substantiating documentation indicating completion of the course(s) for which release time was granted.

Failing Grade-Withdrawal/Incomplete

- A paraprofessional whose transcript indicates a failing grade during the semester for which release time was granted must submit to the principal written verification from the professor of actual attendance for the failed course. If this written verification is not submitted, the paraprofessional will be subject to the actions noted below in the Non-Compliance or Failure to meet requirements section.
- A grade indicating Withdrawal/Incomplete or any indication that courses were not attended will be considered as non-attendance and will be subject to the actions noted below in the Non-Compliance or Failure to meet requirements section.

III. Arranging a Release Time Schedule

- Release time can only be used for non-classroom study or travel. **DC-37 Family Paraprofessionals must arrange classes during the late afternoon, evening, or weekend to avoid a conflict with their work schedule and to ensure that adequate coverage is provided, where necessary.** Paraprofessionals must submit a class schedule to their principal in advance of the commencement of classes. The principal will then have sufficient time to review, approve, or request that the schedule be modified. As previously stated, release time CANNOT be used during this time. **Principals are not authorized to make exceptions to this condition.**
- **Once a schedule is approved, that schedule is set and cannot be changed on a weekly basis. Additionally, release time may not be rescheduled.**
- **The principal has the final decision in approving or denying release time, dependent upon scheduling and coverage issues or other job duty related issues, which may be required.**

IV. Non-Compliance or Failure to Meet Requirements/Payroll Deductions

- When release time must be terminated due to non-compliance or failure to meet requirements, the principal or designee must stop release time immediately and authorize a payroll deduction for any release time or pay that the paraprofessional received without appropriate documentation. The payroll secretary must work with their payroll liaison to ensure that the appropriate deductions are made.

Questions may be referred to Human Resource Directors (HRDs) in the Borough Field Support Center or the Office of Scholarships, Incentives, and Speech Programs in the Division of Human Resources at CareerTraining@schools.nyc.gov.
